FREE SAMPLE / ONE MISSION, NOT THE FULL GAME

The Rainbow Rescue

TRY THE ADVENTURE

A gust of wind has scattered the garden lantern pieces. Nori the rabbit needs a kind, careful crew to help the garden friends. Solve six little problems, collect six picture marks and open the Rainbow Gate for the birthday picnic.

FOR THE ADULT

Ages 5-6 with adult support. Print page 2 for the children; keep page 3 as your answer key. Bring a pencil and scrap paper. Read the rule aloud, invite discussion and offer hints freely. This sample works without music or colour.

WHAT IS IN THE FULL PACK?

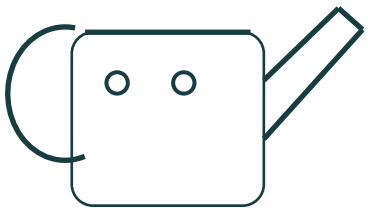

Six connected missions, the team record, a finale, host guidance, progressive hints, worked answers, invitation and certificate. Both A4 and US Letter PDFs plus optional original MP3 music. Available at birthdaymission.com.

First edition: age fit and playing time have not yet been tested with families. Try this page to judge the fit. Ignore the team-record instruction in this standalone sample.

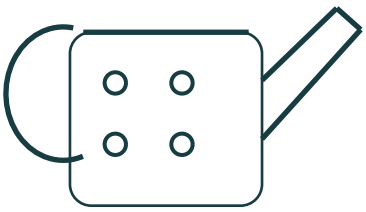

MISSION 01

A drink for the seedlings

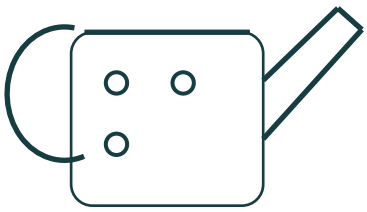

Nori needs a watering can with exactly THREE round holes on its side. Point to the right can. Count each hole once.

A

B

C

Adult: read the rule aloud. Children can touch each printed hole as they count. No reading is needed to choose a picture.

When the adult checks your answer,
draw this mark in box 1 on your team record.

ADULT ONLY / KEEP SEPARATE

Sample answer & hints

FIRST NUDGE

Point to one hole at a time.

SECOND NUDGE

Count the holes in each can: A has 2, B has 4, C has 3.

ANSWER & REASONING

Can C has exactly 3 holes. Award the circle mark.

AFTER THE SAMPLE

Ask which clue helped and whether the crew would enjoy more puzzles. Offer help without penalty. The full story continues through six missions and a connected finale. This sample includes only mission 1.
